3. [] Comment. []
[] The motor vehicle [] observed belong to a unit in Dresden, probably a headquarters unit of the First Gds Mecz Army. [] 50X1-HUM
[] It, therefore, is rather safe to believe that the army participated in a signal command post exercise which is believed to have been held in the area west of Rathenow and probably had two phases, with the first phase presumably lasting from 6 to 13 June, and the second phase possibly from mid-June to late June or early July. 50X1-HUM
50X1-HUM
4. [] Comment. [] The motor vehicle [] seen with the troops called in for reinforcement belong to the Third Shock Army and, mostly, the Fourth Gds Mecz Army. According to other indications, the units have been carried as belonging to the 20th Army AT Arty Brig [] However, information in this report tends to indicate that units of the 10th Gds Tank Div from Letzling Heath were employed in Brandenburg. 50X1-HUM
